Death in Gay Packages

Death stalks in the land at this joyous Christmas time! Beautifully wrapped packages of whiskey bearing the insignia of the season, "Peace, Joy, Good Will," and such were passed out as gifts commemorating the birth of the Savior of the World. In these beautifully wrapped packages lurk terrible death and injury. And we as a nation, are guilty. The drunken driver who kills and maims does not bear this stgma alone. The man who makes the liquor, the nation which legalizes its sale, the seller, the buyer and the drinker are equally guilty. We are in the toils. How long must we remain so?

America for Americans

The departure of Lindbergh and his family from their native land to take up their residence in England is another disgrace on the escutcheon of the nation. No wonder the English think America a land of racketeers and criminals. With their first baby kidnaped and killed and the real criminal, many believe, still at large, it is little wonder the Lindberghs flee from threatened attempts of the same violence toward their second son. May the day come when American citizens will be free to live in America and enjoy the freedom guaranteed to them by the constitution of the United States.

About New Year Resolutions

With the coming of the New Year, it is well to take stock of the past twelve months and to make a resolution to correct our errors. Are we doing our share toward making the world a better place to live or do we lend our ears to backbiting and gossip, rolling slander as a sweet morsel under our tongues? It is so much easier in our little city, as well as in other places, to spread malicious gossip than it is to spread a story of kindness. Let us resolve then, for our own good as well as for the good of our city, to believe nothing of what we hear and very little of what we see, if it is to the detriment of another.

Railroads Situation is Grave

According to Edward F. Loomis, president of the Lehigh Valley railroad, in an article in the Forum for December, the railroads of the nation are in danger of being forced to a policy of the most drastic economy, with possible further reductions in employment, because of the heavy burdens saddled on them by various social security laws, including the railroad retirement act.

At the present time, the railroads are among the most heavily taxed of all industries. Last year their taxes came to $243,812,000—a figure exceeded only by their 1929 taxes, when business was booming and railroad revenues were much greater.

Many of the principal railroads of the country have been unable to earn their fixed charges, which include bond interest, for the past three years. Railroad net operating profit this year is averaging less than 2 per cent per annum.

The new financial burdens, such as the social security acts, are imposed without regard to income. They will run far into the millions and they can be paid in only two ways—one by making it possible for the rails to do more business and earn more money, or second, by a policy of retrenchment which will decrease railroad employment, cut down purchasing, and adversely affect all business.

The situation is one of the utmost gravity, particularly at a time when all the energies of the nation are needed to bring recovery.

The railroads are certainly not opposed to social security for their workers—many had liberal pension systems long before government pensions were thought of—but it is obviously impossible for them to spend more millions than they can collect.—Clipped.

A. C. Lafrenz returned to his home in Carmel Wednesday night after some time spent in San Francisco. He has recovered from his recent illness.

Frank Hefling and wife, and little son, spent Christmas with Mr. Hefling's parents, Mr. and Mrs. T. J. Hefling at Seventh and Lincoln, Carmel. Mr. Hefling is employed in Placerville.

PAUL COWLES, ONE TIME RESIDENT HERE, DIES

Paul Cowles, a resident of Carmel two years ago, passed away Sunday in San Mateo after an illness lasting several months.

Mr. Cowles was a brilliant writer, a retired member of the Associated Press. He was war correspondent in the Russ-Japanese conflict, reported the San Francisco fire of 1906 and the death of President Harding in 1923.

Preceding their regular meeting Monday evening, Sherman Rose Temple, Pythian Sisters, enjoyed a potluck supper at 6:30, in Pythian hall, Monterey.

Henry Hasty, Carmel, was tagged the 22nd and cited to appear the 27th before Judge Wood, charged with having no certificate of registration, one head light, no tail light and driving at an excessive rate of speed.

Miss Genevieve Newell, who attends school in Los Angeles, is spending the holidays at the home of her father Byron Newell and Mrs. Newell on Dolores street.

Lewis Rothe, Carmel artist, was tagged December 14 and appeared before Judge Wood on the 19th to answer to a charge of speeding and having only one headlight on his car. He was given a $10 fine.

The new road grader which arrived in Carmel Thursday of last week is being put to use and is justifying its purchase, which was made with lease notes. The city has paid out a good'y sum for rental of such machines and will be the owner of this fine machine within a short time.

C. C. Hutchinson, who gave his address as Del Monte Hotel, was cited the 21st for driving without a certificate of registration and traveling 48 miles an hour in a 25 mile zone. He appeared Tuesday and explained that the car belonged to the company for which he works, and was assessed a fine of $10 on the speeding charge.

SUBSCRIBER WRITES SUN TO KEEP RECORDS STRAIGHT

E. F. Bunch,
Editor of Carmel Sun.

Dear Editor: Not to keep credit from a man who has passed away, but merely to straighten out an erroneous idea that seems to have crept in, I should like to state that at the time of the acquistion of the park at the foot of Ocean avenue hill, by Carmel-by-the-Sea, the land was considered to be a part of a purchase made by the city from Mr. Devendorff, which included the sand dunes and the park site at $15,000. I believe the city is still paying on these bonds, though I may be mistaken.

I trust no one will mistake my motive in "rehashing" this, but it seems better to me to keep these things straightened out than to dispute over them in later years after they have become legendary.

An Old Timer.

FOURTH VICTIM OF AUTO ACCIDENT PASSES AWAY

Just one week from the time of the disastrous automobile wreck which occurred near Salinas Friday, December 13, word was received in Carmel of the passing of the fourth and last victim, Mrs. Lawler, Thursday night.

With Mrs. Lawler's death, went the last hope of knowledge of how the accident occurred, all having passed away without regaining consciousness.

Mr. and Mrs. A. B. White of Dolores street, Carmel, spent Christmas in San Jose.

C. W. Collier, a valued member of the Sun family, spent Christmas in San Francisco with his daughter and sister.

The beautiful home of Mr. and Mrs. C. A. Ryan, at Saucito Rancho on the Salinas highway, just east of Monterey, was the scene of a merry Christmas party Wednesday when fifteen relatives from Monterey, Carmel and Salinas and thirteen from Fresno enjoyed a two-turkey dinner.

MISS BELO AND MR. CARDINALLI PLIGHT TROTH

With all the ceremonies and formalities of the Italian customs, Miss Lelo Belo, Carmel, became the promised bride of Mr. Tom Joseph Cardinalli of Monterey last Saturday night.

More than 150 people, friends of the young couple, were entertained at Miss Belo's home at Twelfth and Casanova, with dancing as the diversion. Refreshments were served throughout the evening, and at a set time, Miss Belo and Mr. Cardinalli stepped apart from the crowd and the young man placed upon the finger of his chosen lady a beautiful diamond ring, and conforming to the tradition that he must also present her still another piece of gold, he gave her a lovely wrist watch. Mr. Cardinalli also presented gifts to his fiancee's mother and father. The happy couple then sealed their vows with a kiss.

Still conforming to the Italian ways, two huge cakes were cut at midnight, the contracting couple performing this act together while the guests danced around them and the orchestra played "I Love You Truly."

Lovely gifts were presented the prospective bride by Mr. Cardinalli's parents and many other beautiful things were presented by the guests.

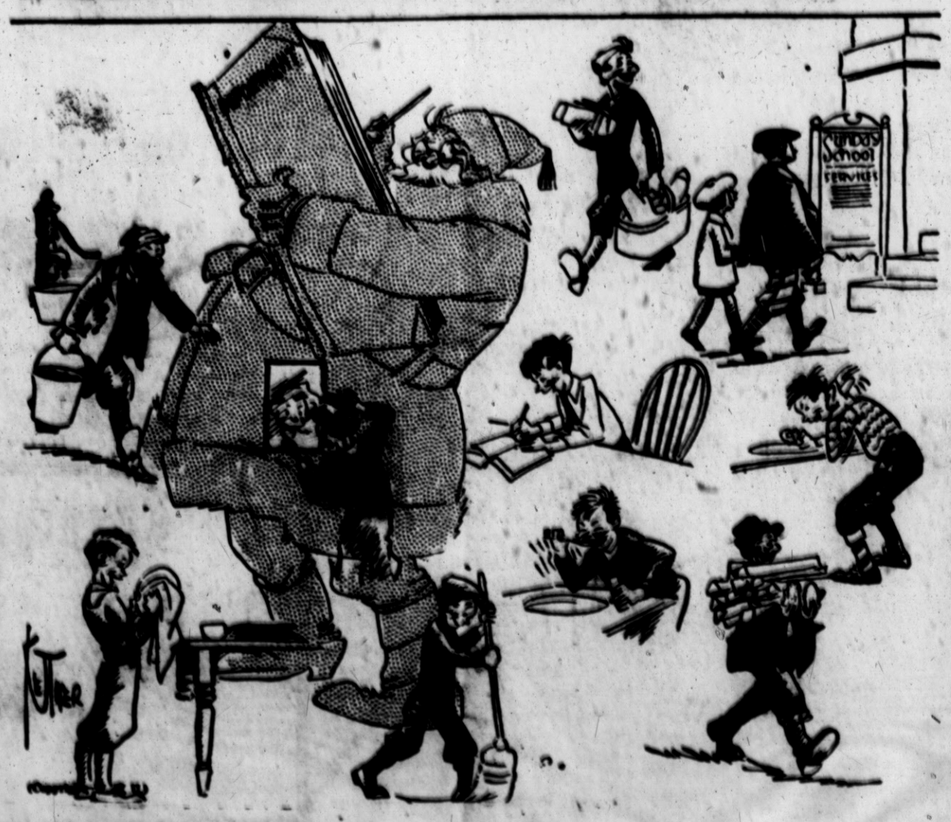
Miss Belo is the charming daughter of Mr. and Mrs. John H. Belo, who received her edution at Sunset, Monterey High and Notre Dame convent at Watsonville. She is much loved by all who know her.

Mr. Cardinalli is a son of Mr. and Mrs. Andrew Cardinalli of 344 Decatur street, Monterey, and is a product of the Monterey schools. He now is a member of the crew of the New Ambassador and is an excellent young man.

No date has been set for the wedding.

Mr. and Mrs. John Coates and Atty. and Mrs. George Ross spent last Sunday in Palo Alto where they enjoyed a pre-Christmas dinner with Mrs. Coates' sister.

A Month of Miracles



Major Bowes' Amateurs In Carmel Next Weeek

Joining hands with hundreds of other cities throughout the nation, Carmel will soon have the pleasure of extending it's hearty welcome to Major Edward Bowes' amateurs (on tour in person).

Announcement to this effect was made this week by Byington Ford, commander Carmel Post of the American Legion, when negotiations were completed to bring this outstanding event of the show season to the Sunset school auditorium for three shows New Year's day and the day following.

And so . . . the wheel of fortune spins again . . . around she goes . . . when she stops in Carmel "we know, though the stay will be all too brief," as Commander Ford exclaimed, "the genial Major Bowes will be justly proud of the reception which his boys and girls will receive in Carmel."

This show which is being brought to Carmel at great expense, is the equal of many of the units which have been traveling throughout the United States breaking all previous theatre records.

Ten nationally acclaimed amateur artists, who have appeared on the Major Bowes national radio program are presented in this stage show, which critics are calling "the outstanding stage event of the year."

The amateurs who will appear are excellent entertainers in their various lines, having been selected first from thousands of entries on the weekly Sunday night broadcasts conducted by Major Bowes.

Those appearing on the show which will be presented on the stage of the Sunset school auditorium will be:

The Tune Teasers—Sensational Musical Novelty.

Buddy Raymond — Golden Voiced Tenor.

Dave Segal—Seventeen-Year-Old Impersonator.

Mildred Koppel — Coloratura Soprano.

Otie Love—Xylophone Artist.

Marshall Rogers — Wizard of the Musical Glasses.

Ruth Reed—Happy Singer of Happy Songs.

Major Bowes.

Vera Waters—Pianist.

Ted Mack — Master of Ceremonies.

There will be three shows at 2:30, 7:30 and 9:00 p. m. Tickets 50 and 75 cents. Children 25 cents at afternoon performance.

TUNE TEASERS: Three harmonizers and an accompanist. Leonard Smith, 28 years old, an iron worker. Norma Fitch, 21-year-old hatter. Bill Brokenshire, a cousin of the famed announcer—he's 24 and a hairdresser. Walley Smallwood, 28 years old and a refrigerator service man. All grew up in Toronto, Canada, and the three singers went to the same school.

BUDDY RAYMOND: Attractive 18½ year old New Yorker, who dances as well as sings. Is the only professional in the family—never took a singing lesson but boasts of Ned Wayburn's tuition in dancing. Made his first public appearance at the age of four—did imitations. Still does—particularly of Al Jolson—but prefers to sing his own way.

DAVE SIEGEL: 17 year old impersonator. Born in Brooklyn, N. Y., August 26, 1918. Was compelled to sell newspapers at the age of 10. His experience in "Wxtry" shoutin; has given him the ability t) change his voice from the bass Pop Eye to the sweet soprano of Mickey Mouse.

MARSHALL ROGERS: Pe plays musical glasses. Born i Brooklyn, and works in a candy factory. Does not read music by note and has never taken a lesson. Has spent many years in research on musical glasses. Believes he possesses the natural ability, or call it chemical compound in his makeup to produce music by merely rubbing hi moistened finger tips over the rims of various sized glasses. Composes songs. Will compos an appealing melody in ten minutes—if you furnish the title for the song. He experimented at first with the glasses filled with water, but found it unsatisfactory.

RUTH REED: She has always entertained—at benefits or in the home—since she's been a child. Lives in Englewood, N. J., Has studied dramatics, and would like roles like Katherine Cornell gets. During the war she stayed away from school and recited before an audience in theatres—would plead with them to buy bonds. She did a rushing business. One man bought a $100 bond for her. She still has it. She is in her early twenties and pretty.

Christmas cards from Rev. Fr. O'Connell, who has been in Ireland for some time reports that his mother, who suffered a broken leg, is well and able to be out again.

Martin Leidig and wife, who have been living in Carmel for some time, have gone to San Francisco to make their home. Mrs. Robert Leidig drove down to the city with them this morning.

Ed R. Kosier, a waiter at Pebble Beach Lodge, was arrested at 2 a. m. December 20 for driving while intoxicated. He was driving very slowly and had no other police record and was accordingly given a light fine of $50.

Monday's San Francisco Chronicle carried a picture of Miss Florence Elizabeth Atkins. "Carmel Sculptress, shown with two bronze models she recently executed for Miss Muriel Hansen, San Francisco dancer." Figures in bronze from the originals will be sent East to be placed on exhibition.

Here's one for the book; One early morning three or four of the lady shop keepers on Ocean were sweeping the walks in front of their establishments, when a visiting couple passed along window-shopping. As they passed the last one, the visiting lady was heard to remark to her companion, "I see they have the women sweep the streets in Carmel."

CARMEL YOUNG MAN IS INVENTOR OF MACHINE

Richard Bare, manager of the Filmarte Theatre, has invented a "magic eye," in the way of a machine which singles out any person in the audience it happens to choose. This machine on which he has applied for a patent has 260 lenses, one for each seat in the Filmarte, and when a long arrow is spun, the lights flicker here and there and finally come to rest upon some certain seat.

It is a very clever device and Mr. Bare intends to offer it to other theatres after he receives his patent.

Col. and Mrs. W. A. Austin of the Country club district have as their guest, for the holidays J. Atwood Austin of New York City.

Miss Carrie Cummings of Berkeley is in Carmel for the holidays, occupying her own cottage.

Mrs. Mary P. Hooper and son, Thomas, will spend their holidays on a dude ranch in Arizona, returning to their home in Carmel about the middle of January.

Mrs. O. M. Earle, Carmel, has as her guests for the holidays her daughter, Mrs. James French Dorrance, with Mr. Dorrance and their son, James, Jr., from Santa Barbara.

Charles Grimshaw and family, who had resided on Dolores, near Seventh, Carmel, have gone to Santa Cruz to make their home. Mr. Grimshaw will be connected with the Metropolitan Life Insurance company.

Mrs. Brown and Mrs. Stone of the Betsy Ann Food Shop will each welcome a son and daughterinlaw to spend Christmas with them. Mrs. Brown's son lives in Los Angeles and Mrs. Stone's son in San Francisco.

Ronald Soucey a student at U. of C., is spending the holidays at his Carmel home. Ronald has recently made the highest grade in a class of 700 when he took examinations for an elementery economics course.

Mr. and Mrs. Royden Martin of Carmel Valley are enjoying having their daughter, Miss Ann Martin, home for the holidays. Miss Martin is a student at University of California.

Mayor and Mrs. Sheldon Gilmer, Pacific Grove, will have as their Christmas guest, Mrs Gilmer's brother, Fred Guilford of Paso Robles.

Miss Patricia Maddox, a student at Dominican college, San Rafael, is spending the Christmas holidays with her grandparents, Mr. and Mrs. E. Cooke Smith of Pacific Grove.

Chester Davis, Pacific Grove young man, took his life at the Hambrick ranch near Aromas Thursday, during a fit of despondency. Davis' parents live in Pacific Grove. Funeral services were held Saturday in Salinas.

The third birthday of little Barbara Jean Verga of Oak Grove was celebrated Friday when her mother gave a party in her honor at their home in Oak Grove. A miniature Christmas tree was placed at each plate, and the children were bedecked in red paper hats and given toy balloons. Barbara Jean received many lovely presents.

One of their most successful events was staged by the Veterans of Foreign Wars and their auxiliary Saturday night in the Knights of Pythias hall. An excellent program was heard and the children received gifts of candy. Those in charge were Mesdames Gussie Blankenship, David Schwartz, James Prescott, Dan Boughton and A. L. Staie.

CHRISTIAN SCIENCE CHURCHES

"Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee." These words from Isaiah comprise the Golden Text to be used Sunday, December 29, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The subject of the Lesson-Sermon will be "Christian Science." Included among the Scriptural selections will be: "And the Redeemer shall come to Zion, and unto them that turn from transgression in Jacob, saith the Lord. As for me, this is my covenant. with them, saith the Lord; My spirit that is upon thee, and my words which I have put in thy mouth, shall not depart out of thy mouth, nor out of the mouth of thy seed's seed, saith the Lord, from henceforth and for ever" (Isa. 59: 20, 21).

The following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures by Mary Baker Eddy, will also be included: "Science is an emanation of divine Mind, and is alone able to interpret God aright. It has a spiritual, and not a material origin. It is a divine utterance, —the Comforter which leadeth into all truth" (p. 127).

RAINBOW GIRLS AND DEMOLAYS ENJOY PARTY

The Rainbow Girls and the boys of the Order of DeMolay held an evening of fun and frolic last Thursday night at the Monterey Masonic temple. The main entertainment was the amateur hour in which many solo performers and groups tried out. The number who made the grade was not overwhelming, as the sound of the gong became quite familiar.

A kangaroo court was also conducted and the guests were made to pay penalties, after which they adjourned to the banquet room where a real banquet was served.

MONTEREY CELEBRATES XMAS LAST SATURDAY NIGHT

With band concerts, carols and dancing, Monterey staged an elaborate municipal Christmas program Saturday night. Santa Claus was there on his airplane float, and the high school band and the 11th Cavalry band furnished the music.

Andrew Sessink led a group of singers from a window of a downtown furniture store, and there was fun for everybody.

In charge of the affair were Emmet McMenamin, George Easton, Harold McLean and John Davis.

Mr. and Mrs. James Capp entertained Thurday evening at a birthday party in honor of their grandson, Harold V. Burns.

Mr. and Mrs. F. M. Rosprim Del Monte Grove, had as their guests last week their son and wife, Mr. and Mrs. John E. Rosprim of Corcoran. The young folks were married December 6 and made their visit here a part of their honeymoon.

Thirty-two tables were in play when the Monterey Bay Grange gave a Christmas Whist party Thursday evening in the Del Monte school. Mrs. Ralph Hicks was head of the committee having the progam in charge. An electric food mixer was won by Mrs. Allen Yeager.

Forty children were guests of honor at the Ocean Spray chapter, O. E. S. Christmas party last week. An excellent program was presented and Santa Claus arrived and distributed gifts to the youngsters. Nearly 200 were seated in the spacious banquet hall, where a delicious supper was served on gaily decorated tables.

IMPROVEMENT CLUB HAS DELICIOUS XMAS DINNER

If you can visualize a twenty pound turkey, done to a turn, with all the trimmings, you can realize what a dinner the Monterey Improvement club enjoyed when they met at the fire house in New Monterey one night last week.

Mrs. George MacDonald was given credit for cooking the meal and Mrs. Glenn Heinrich arranged the program. The address of the evening was made by Rev. T. J. Barkle.

The tables were beautifully decorated in Christmas greenery under the direction of Mrs. Earl Files.

CANTATA AT PACIFIC GROVE CHURCH FINE

"The Nativity" cantata presented by the Pacific Grove church Sunday evening was pronounced to be one of the best Christmas programs ever given in that city.

Among those taking a prominent part were Estelle Koch, Andrew Sessink, Miss Dorothy Greene, Mrs. Bess E. Ward, Ray Faulkner, Mrs. Carol Moore Turner, Mrs. Merle Harper and Miss Margaret Draper.

OLD MONTEREY SCHOOL TO HAVE NAME AT LAST

At last a fitting name for the Old Monterey grammar school has been chosen. In a contest entered into by 31 students, the composition of Phyllis Wormley was chosen as the best. She chose the name Colton, and the judges decided to add the first name also, making the school the Walter Colton school. While several other contestants also chose the name of Colton Phyllis' entry was adjudged the best.

The judges were Mrs. Laura Bride Powers, Mrs. Harold Prince and Myron Oliver.

ELECT Y. M. I. OFFICERS FOR COMING YEAR

The following officers were chosen by the Young Men's Institute for the coming year at their meeting held recently:

Father Charles Kerfs, honorary chaplain.

Monsignor P. Gerald Gay, chaplain.

Leo Dorney, president; James Brucia, first vice president; Charles Dantibo, second vice president; Dimas Albert, recording secretary; Anthony Bautovich, financial secretary; Frank Rodriguez, treasurer; Reuben Vargas, marshal; John Giglio, speaker; Charles Gambino, inside sentinel; Faustino Albert, outside sentinel; Nino Russo, Dan O'Neil and Sal Ragghianti, executive committee.

Thirty boys and girls from the Community Center nursery, located in New Monterey, were brought over to Carmel last Thursday to witness the Nativity play put on at the Sunset school. Mrs. Julia Brenig, director of the school, accompanied the youngsters. The Bay Rapid Transit company furnished the transportation free.

Twenty-five caddies of the Monterey Peninsula Country club were entertained at their annual Christmas dinner Friday night. Others present were Dr. Harry Brownell, club vice president, who acted as toastmaster; Caddy Master Art Marshall, Assistant Caddy Master Hickey Stalter, Elliott Callender, club professional and F. Harding, club manager.

Plan Now to Do More Electrically!

THE REDUCED ELECTRIC RATES bring to you a Bargain Value in Electric Service. It means you can have better lighting. You can have more electric servants to help you with housework every day. Electricity more than ever is the Biggest Bargain in the Home. Take full advantage of it.

Here's How Cheaply Certain Electrical Servants Work Under the New Low-Cost Electricity:

- If your electric bill has been $2.09 or less per month . . . you can use an electric dishwasher 90 times a month for 13¢, run a washing machine for 11¢ a month, use a vacuum cleaner for 8.3¢ a month.
- Add any one of these electric appliances. Operate it on the savings from the reduced rates. If your electric bill is $2.10 or more your savings are even greater.
- The above figures are based on an estimated average cost for electricity in all incorporated areas. In unincorporated areas the cost is slightly higher.

"Lower the cost of electricity and we will use more electricity." If you have been one of our customers who has said this, now you can put additional electrical servants to work in your home at no additional cost or only slight increase in cost. Electricity right after your December meter reading will be cheaper than ever before.

With the new reduced rates, the unit cost of electricity steps down sharply as you add certain essential and labor-saving electrical servants. An electric refrigerator is one of these. A washing machine and ironer or a vacuum cleaner, electric heater or larger floor and table lamps that give better light for better sight. Any or all of these electric servants would make ideal gifts this Christmas. You can add certain of these appliances without increasing your monthly bill and you can add all of them with only a slight increase in your bill.

You will find special Christmas displays of electric appliances in stores everywhere and in all our offices. See them. Ask to have them demonstrated. Make THIS an electrical Christmas in your home.

TRAFFIC DEATH TOLL SHOWS APPALLING INCREASE THIS YEAR

With strong indications that California's 1935 traffic toll will equal or exceed the staggering casualty record of 1934, despite intensified efforts to reduce motor vehicle accidents, the California Safety Council announced a five point program, establishing definite objectives in its war on highway homicides.

This program is as follows;

1 Education—More exacting qualifications for drivers. Education in the schtols, before womens clubs, civic and commercial groups in the fundamentals of safe driving.

2 Enforcement — Adequate and uniform enforcement of existing laws through the State Highway Patrol, and with the cooperation of municipal judges and police traffic offiicers. Particular stress on speeding, drunken driving, drivers qualifications and sustained opposition to "tag fixing."

3. Engineering — Provision for application of every scientific safety device and practice.

4. Uniform Administration—Uniform traffic control throughout the state.

5 Legislation. Revision of traffic laws to more fully protect life and property.

SOUTHERN PACIFIC PRESIDENT REPORTS BUSINESS AS BETTER

Christmas travel is up 25 per cent on Southern Pacific lines as compared with last year, and volume of express and mail is the heaviest in years.

This was made known yesterday by A. D. McDonald, President Southern Pacific company, on his return from a trip through the southwest to New Orleans, where he attended the opening of the largest steel railroad bridge in the world across the Mississippi river.

The historic ferries across the Mississippi river have been abandoned, Mr. McDonald said, and trains are now being operated across the new bridge, completion of which is an event of national importance.

While in New Orleans, Mr. McDonald also attended the home-coming celebration of the flagship "Dixie" of the Southern Pacific fleet, which has just been returned to service after reconditioning due to damage sustained in grounding on a Florida reef a few months ago.

"Excellent business was reported in all the places I visited, said Mr. McDonald.

On his trip the Southern Pacific president visited the scene of important new construction work being carried on in west Texas by the Southern Pacific company. This project, to be completed in June, 1936, involves four line changes totaling thirteen miles, at a cost of $600,000, and is designed to avoid interruption of service due to washouts such as occurred during the last twelve months.

THE NEW RATES FOR ELECTRIC SERVICE BENEFITS THE HOUSEWIFE

Customers of the Pacific Gas and Electric company for domestic electric service will find the rate reductions recently announced by the company's management reflected in their bills for December service.

The new rates will enable the housewife not only to use more electricity for the same money but, also, to considerably increase her monthly consumption at a quite inconsiderable increase in expense.

In all incorporated cities and towns served by the Pacific Gas and Electric company the top rate for residential service is cut from 4.5 to 4 cents per kilowatt hour, plus service charge. This applies to the first block which now becomes 40 kilowatt hours; under the former schedule the first block was set at 30 kilowatt hours plus 5 kilowatt hours for each room over six in the residence. Where the household consumption exceeds 40 kilowatt hours, the charge for additional service up to 200 kilowatt hours will be at the rate of 2.5 cents instead of, as at present, 3.5 cents. This is particularly interesting for the reason that the average monthly domestic consumption of electricity is estimated at 60 kilowatt hours. For this amount the cost to the domestic consumer will be but $2.10, plus service charge, showing a reduction of a fraction over 10 per cent as compared with the charge under the outgoing rate schedule. Reduction percentages increase with greater consumption, rising to about 21 per cent on 170 kilowatts.

In territory outside of incorporated cities and towns the rates for service are slightly higher, and reduction percentages somewhat less.

A trifling increase in consumption will enable the housewife to add labor saving devices to her list, besides making welcome additions to her lighting facilities. The inducement is greater on the face of it.

Miss Hallie Sampson, Carmel, spent Christmas in Piedmont, returning home Christmas night.

It will pay you to get your Job Printing done at the Carmel Sun office.

Mrs. Paul Flanders, Carmel, visited in San Francisco last week and was a guest at the Clift hotel.

Mrs. L. W. Fleming, of Pacific Grove, mother of Archie Fleming, had the misfortune to fall last Saturday in front of the Purity store and break her leg.

Miss Alys Miller of San Francisco is spending some time in Carmel occupying an apartment at Sundial Court. She also spends a great deal of time at the home of her nephew, Allen Knight. Miss Miller and Miss Van Brower were girlhood friends in San Francisco.

Miss Maude Jenkinson, who has been employed at Der Ling, Carmel, plans to sail January 3rd for an indefinite stay in Honolulu. Miss Jenkinson is also planning on an extended visit to her home in England next spring.

TIPSY MOTORISTS FINED

Utah highway police are now equipped with small motion picture cameras to take pictures of motorists who jeopardize highway safety. The first fifty-two pictures taken were of drivers who had imbibed a bit too much. Forty-eight pleaded guilty after seeing the films, and three of the remaining four were convicted when the jury saw the movies.
